- Refill anti bacterial soap dispensers and paper towel as required.

Bathrooms, toilets and sluice:

- Clean all toilets throughout the home on a daily basis
- Clean all baths
- Mop all floors
- Mop sluice room floor
- Wipe and disinfect all surface
- Clean mirrors
- Refill anti bacterial soap dispensers, paper towel and toilet roll holders as required

Laundry:

- Complete all the laundry for the home on a daily basis
- Use the correct procedure for washing clothing which may have be soiled

with bodily fluids or where there is a risk of infection.

- Use the correct machines for washing certain items as directed
- Put clean laundry away
- Keep the linen cupboard tidy

Therapy centre:

- The therapy area includes – physiotherapy, soft play, therapy kitchen, aromatherapy, sensory rooms, music room and pool changing areas.
- Vacuum all floors and dust surfaces within the therapy centre.
- Clean the therapy kitchen including mopping the floor.
- Mop all floors within the pool changing area and wipe all surfaces.

General areas:

- Vacuum, dust/polish the nurse station, dining room and lounge
- Damp dust all skirtings, ledges and tops of doors.
- Mop the conservatory, dining and staff room floors.
- Empty all bins and take rubbish to the waste disposal area.

No experience is necessary as full training and induction will be provided.

Uniform provided.

We look forward to receiving your application.
